

How to Vote

WPLUG uses a variant of the range voting method for Board elections. Though only five (5) Directors are to be elected, you may cast votes for as many candidates as you like. Circle the **single** number next to a candidate's name that reflects your attitude toward the candidate being elected:

- 0 - Unfavorable - I do not want this person on the Board.
- 1 - Weakly Favorable - This person is acceptable on the Board, but I prefer others.
- 2 - Moderately Favorable - I believe this person would do well on the Board, but is not a top choice.
- 3 - Strongly Favorable - I definitely want this person on the Board.

You may write in and score candidates not listed using the (write-in) spaces provided. Only current members of WPLUG are eligible. Winners are decided by total points received, and a candidate must receive at least a 1 on a majority of ballots cast to be elected. Failing to circle any number for a candidate means the same as a 0: both express disapproval. A more detailed explanation of the voting system and examples can be seen at <http://www.wplug.org/wiki/Election_Instructions>. Brief statements provided by the candidates and more details about the meeting will be available at <<http://www.wplug.org/wiki/Meeting-20151114>>.

Print out the ballot and score the candidates as directed above.

To Seal the Ballot

Fold the ballot, then seal it inside an envelope. **Print your name on and sign the outside of the envelope.** If the name on the envelope does not match the list of registered members, your vote will not be opened - so print clearly.

To Vote at the Meeting

Bring your signed envelope to the election meeting on November 14, 2015 or have another person bring it for you and cast it before the polls close.

To Vote by Mail

Place the signed envelope **into another envelope** and mail it to the WPLUG address shown at the right. When your letter is received, an e-mail confirmation will be sent to you from the Secretary or one of his designees. Your ballot must be received prior to the meeting to be counted.
